## VERSE 1

White light - White light gonna drive me out of my brain  
White light - White light gonna make me feel so insane  
White heat - White shapin' them down to my toes  
White light - White light's got it now, goodness knows

## VERSE 2

White light - White light gonna drive me out of my mind  
White light - White light's surely gonna make me blind  
White heat - White shaping way down to my toes  
White light - White light could kill me now, goodness  
knows

## CHORUS

Oh, Oh, White light  
Oh, Oh, White light  
Oh, Oh, White heat  
Oh, Oh, White heat

## VERSE 1

## VERSE 2

## CHORUS (twice)

White light's a-flashing

White light  
Still feels right  
What's that sound, what's that sound  
Don't turn on, be dead or alive  
No feeling  
Here she comes  
Oww, yeah  
(Oh, oh, oh, oh) here she comes  
(Oh, oh, oh, oh)  
(Ah, ah, ah, ah)
