I saw her through the window today  
She was sittin' in the Silver Spoon cafe  
I started to keep going  
But something made me stop  
She used to love me a lot

She looked lonely and i knew the cure  
Old memories would win her heart for sure  
I thought i'd walk on in there  
And give it my best shot  
She used to love me a lot

I sat down beside her and she smiled  
She said where have you been it's been awhile  
She seemed so glad to see me  
Lord,i could read her thoughts  
She used to love me a lot

Chorus:  
She used to love me with a love that wouldn't die  
Looking at her now i can't believe i said good-bye  
It would only take a minute to turn back the clock  
She used to love me a lot

Well I reminded her how good it was back then  
I said you know it's not to late to start again  
We could spend a night together  
Take up where we left off  
She used to love me a lot

Then I panicked as she turned to walk away  
As she went out the door i heard her say  
Yes i'm in need of something  
But it's something you ain't got  
But i used to love you a lot

She used to love me with a love that wouldn't die  
Looking at her now i can't believe she said good-bye  
It would only take a minute to turn back that ol' clock  
She used to love me a lot  
She used to love me a lot

She used to love me a lot ...
