Softly - whispering I love - you
Echoes of your voice are calling still through my
dreams
Softening the chill of the breeze through my win-dow
I can see the moon - glow
Painting silver shadows on a rose coloured land
A walk that we walked hand in hand - in a day of gold
Coloured by the glow of new- love.

Break

I can feel your warm - face - ever close to my - lips
And the scent of you invades the cool evening air
I can close my eyes and your there in my arms - still
And I know your soft - kiss turning into music
Every beat of my heart
When I hold you close to my heart
And I hear your voice whispering I love you.

Break

Do do do do do do do do

Do do do do do do do
Do do do do do
Do do do do do

I can feel your warm - face - ever close to my - lips
And the scent of you invades the cool evening air
I can close my eyes and your there in my arms - still
And I know your soft - kiss turning into music
Every beat of my heart
When I hold you close to my heart (stop)
And I hear your voice whispering I love you.

I can feel your warm - face - ever close to my - lips
And the scent of you invades the cool evening air
I can close my eyes and your there in my arms - still
And I know your soft - kiss turning into music
Every beat of my heart
When I hold you close
