What if I told you it was all meant to be?
Would you believe me? Would you agree?
It's almost that feeling that we've met before
So tell me that you don't think i'm crazy
When I tell you love has come here and now

[Chorus]

A moment like this
Some people wait a lifetime for a moment like this
Some people search forever for that one special kiss
Oh, I can't believe it's happening to me
Some people wait a lifetime for a moment like this

Everything changes, but beauty remains
Something so tender, I can't explain
Well I may be dreaming, but still lie awake
Can we make this dream last forever?
And I'll cherish all the love we share

[Chorus]

A moment like this
Some people wait a lifetime for a moment like this
Some people search forever for that one special kiss
Oh, I can't believe it's happening to me
Some people wait a lifetime for a moment like this

[Bridge]

Could this be the reign of love above?
I wanna know that you will catch me when I fall
So let me tell you this...

Some people wait a lifetime for a moment like this
Some people wait a lifetime for a moment like this
Some people search forever for that one special kiss
Oh, I can't believe it's happening to me
Some people wait a lifetime for a moment like this
Oh, like this
Oh, I can't believe it's happening to me
Some people wait a lifetime
For a moment
Like this.
