when you forget me  
and you don't remember my name  
not even a memory  
somewhere in the back of your brain  
i won't be offended  
cus i always knew that the day would come and  
be not enough to make you stay

you tell me it's not possible  
no way that we could break  
but nothing is illogical  
believe me  
like falling stars over your head  
we were bound to burn up alive  
crashing cars cause  
i'll never get over you  
cause you are so  
beautiful  
yeah

the world is turning  
and time keeps on lingering on  
the sun will be burning  
eventually you will be gone  
i'll always love you  
ohh  
believe it or not  
baby thats not enough to,

not enough to stop these

falling stars over your head  
we were bound to burn up alive  
crashing cars  
i'll never get over you  
never over you cause  
you are so  
beautiful  
yeah

when its all said and done  
i'll be just a spec in a galaxy

floating further away by gravity

you tell me its impossible  
no way that we can break...  
like falling stars....  
like crashing cars  
like falling stars over your head  
we were bound to burn up just like  
crashing cars  
i'll never get over you  
never over you  
cause you are  
so  
beautiful

you are so beautiful  
yeah
