"Good Place"

I don't know what I'm doing here
How I landed in this space
But it's a good place
And I don't wanna mess it up
Make mistakes or say too much
'Cause it's a good place

You find it
You hold it
You feel it's grace

These are words
I wanna say
Every hour of every day
These are words
That say how good it feels to be here with you today
I hope it's not too late
I hope it's not too late
I hope it's not too late

I've been silent up till now
I've been going with the flow
Wherever that goes
But somethings screaming out inside
Makes me want to close my eyes
And hear the echo

You find it
You know it
Don't make it wait

These are words
I wanna say
Every hour of every day
These are words
That say how good it feels to be here with you today
I hope it's not too late

Cause I don't wanna waste another summer (mmm)
I don't wanna wait until I fall
I could be a memory tomorrow
I could be nothing at all, yeah

I don't know what I'm doing here
How I landed in this space
But it's a good place

These are words
I wanna say
Every hour of every day
These are words
That say how good it feels to be here with you today
I hope it's not too late
Oh Yeah, I hope it's not too late
