Woah woah oh oh  
Woah woah  
Woah woah oh oh  
Woah woah  
Woah  
Woah woah oh oh  
Woah woah

When I saw you over there  
I didn't mean to stare  
But my mind was everywhere  
I wanna know you

Girl, I guess that you're the kind  
To say what's on your mind  
But you listen when I have something to show you

There's a mark above your eye  
You got it in July  
Your fighting for your sister's reputation  
You remember peoples names  
And valentine's are lame  
So we'll bring flower just for no occasion, oh

Woah woah oh oh  
Woah woah  
I wanna know you  
Woah woah oh oh  
Woah woah

I wanna go there where you go  
I wanna find out what you know  
And maybe someday down the road  
I'll sit back and say to myself  
Yeah, I thought so

You smile, never shout  
You stand out in a crowd  
You make the best of every situation

Correct me if I'm wrong  
You're fragile and you're strong

A beautiful and perfect combination

Yeah  
Woah woah oh oh  
Yeah yeah yeah  
Woah woah  
I wanna know you  
Woah woah oh oh  
Woah woah

I wanna go there where you go  
I wanna find out what you know  
And maybe someday down the road  
I'll sit back and say to myself

I like how you are with me  
In our future history  
And maybe someday down the road  
I'll sit back and say to myself  
Yeah, I thought so

I thought so  
Hu oh oh  
Yeah, yeah  
Yeah! Yeah!  
I wanna know you (Yeah! Yeah!)  
I wanna go there, where you go (Where you go!)  
I wanna find out what you know (I wanna know you!)  
And maybe someday down the road (Yeah!)  
I'll sit back and say to myself (Yeah!)

And I tell you, all with me (Yeah!)  
In our future history (Yeah!)  
And maybe someday down the road (Yeah!)  
I'll sit back and say to myself (Yeah!)  
Yeah, I thought so (Yeah!)
