Intro(David Archuleta):

Check 1, 2, 3. Check 1, 2, 3.

It's Working

Welcome to NBC's Cancer Performance

David Archuleta:

The heart is stronger

Than you think

It's like it can go

Through anything

And even when you think

It can't it finds a way

To still push on

Though, Oh

Jesse McCartney:

Sometimes

You want to run away

Ain't got the patience

For the pain

And if you

Don't believe it

Look into

Your heart

The beat goes on

Corbin Blu:

I'm tellin' you that

Corbin Blu/Jonas Brothers:

Things get better

Through whatever

Corbin Bleu:

If you fall

Dust it off

Don't let up

Jesse McCartney:

Don't you know

You can go

Be your own miracle

Corbin Bleu:  
You need to know

Chorus (David Archuleta):  
If the mind  
Keeps thinking  
You've had enough  
But the heart  
Keeps telling you  
Don't give up  
Who are we to be  
Questioning  
Wondering what is what  
Don't give up  
Through it all  
Just stand up  
Oh Oh Whoa

Mitchel Musso:  
It's like  
We all have better days  
Problems getting all up  
In your face

Drake Bell:  
Just because  
You go through it  
Don't mean it got  
To take control, no  
You ain't gotta find  
No hiding place  
Because the heart  
Can beat the hate  
Don't wanna  
Let your mind  
Keep playin' you  
And sayin' you

Can't go on

Corbin Bleu:  
I'm tellin' you that

Jonas Brothers:  
Things get better  
Through whatever

Corbin Bleu:  
If you fall

Jonas Brothers:  
Dust it off  
Don't let up, no

Mitchel Musso:  
Don't you know you

David Archuleta:  
Can go

David Cook:  
Be your own

Jesse McCartney:  
Miracle

David Archuleta:  
You need to know

(Chorus-All)

Corbin Bleu:  
You don't gotta be  
A prisoner  
In your mind

David Archuleta:  
If you fall  
Dust it off, oh

David Cook:  
You can live your life

Jonas Brothers:  
Yeah

Drake Bell:  
Let your heart  
Be your guide

(Yeah, yeah, yeah)

David Archuleta  
And you will know

Jesse McCartney  
That you're good

Corbin Bleu:  
If you trust in the good

(Bridge) Jonas Brothers:  
And it will get better  
Through whatever

David Archuleta:  
We'll take the road together

Jonas Brothers:  
It's never to far away

(Chorus Jonas Brothers)

(You got it in you Find it within You got in now Find it  
within now You got in you Find it within You got in now  
Find it within now You got in find it within you Find it  
within you Find it within you)
