Don't know what I was thinking
I messed up and now we're sinking
Said things I didn't mean
Hard to watch your heart breaking

Words cut like razor blades and left you with a scar
Made a mistake I can't erase
Oh I was wrong
Took you for granted
And I can't stand it
Shouldn't be that way

Cause love don't hate, hate
Love don't hate, hate

You said that you need time
Cause hurt don't heal overnight
Its not enough to apologize
What I did wrong I need to make right

Words cut like razor blades and left you with a scar
Made a mistake I can't erase
Oh I was wrong
Took you for granted
And I can't stand it

Shouldn't be that way

Cause love don't hate, hate
Love don't hate, hate

I should've listened
I should've met you in the middle like I needed to
Nobody's perfect
No fight is worth the risk if it's gonna mean losing you
I should've listened
I should've listened

Words cut like razor blades and left you with a scar
Made a mistake I can't erase
Oh I was wrong
Took you for granted

And I can't stand it
Shouldn't be that way

Cause love don't hate, hate
Love don't hate, hate

I should've listened
I should've listened
I should've listened
