You can't tell me everything is perfect
You said splitting up with him felt right
Don't stop your reminiscing
Somehow you're not convincing
Why even try to hide it inside

You say you're over him
Tell me that you're fine
You know that doesn't work
Even when you smile
I don't believe you
You're not a very good liar
You said it doesn't hurt
That you never cry
You can tell yourself
Go ahead deny
You know it's not true
You're not a very good liar
Oh oh oh oh
Oh oh oh oh
You're not a very good liar

Inside you're falling apart to keep it together
Tell tale signs that you've been crying all night
It's for the best, you keep on saying
Something better is out there waiting
Your eyes don't lie
I see it every time, yeah

You say you're over him
Tell me that you're fine
You know that doesn't work
Even when you smile
I don't believe you
You're not a very good liar

You said it doesn't hurt
That you never cry
You can tell yourself
Go ahead deny
You know it's not true
You're not a very good liar

Oh oh oh oh
Oh oh oh oh
You're not a very good liar

Maybe it hurts too much to talk about
So you don't say nothing at all, no
Ohhhh, if you ever need someone to talk to
Then you know who to call
Ohhhhhhhhhhhhh
Yeah yeah yeah
No, no, yeah, yeahhh

You say you're over him
Tell me that you're fine
You know that doesn't work
Even when you smile
I don't believe you
You're not a very good liar
You said it doesn't hurt
That you never cry
You can tell yourself
Go ahead deny
You know it's not true
You're not a very good liar
Oh oh oh oh
Oh oh oh oh
Oh oh oh oh
Not a very good liar
Oh oh oh oh
Oh oh oh oh
Oh oh oh oh
Not a very good liar

Yeah yeah yeah
You're not a very good liar
