There's something crazy about this day
Like I'm walking on a trampoline
I couldn't get much higher
Ooh.
So if I asked you would you stay?
'Cause you remind me of
A ballerina dancing on a wire.
And I don't ever wanna say good bye
I just wanna steal this moment
Right away from time
What do you say when you can't come down
When you feel like a ten feet of the ground
What do you do when you're on the edge
Now you're here and you got me thinking 'bout
Parachutes and airplanes, thinking about
Parachutes and airplanes
We'll never hit the ground, ground, ground, ground
The world's a thousand shades of blue
Like we here in the kaleidoscope
Don't wanted to be over, yeah
Like everything that's in my mind
Is here right in front my eyes
And you're the one who got me here
And I don't ever wanna say good bye
I just wanna steal this moment
Right away from time

What do you say when you can't come down
When you feel like a ten feet of the ground
What do you do when you're on the edge
Now you're here and you got me thinking 'bout

Parachutes and airplanes, thinking about
Parachutes and airplanes
We'll never hit the ground
'Cause life gets hard sometimes
And I just need a place to get away
So turn the world around, I'm never coming down
'Cause I don't ever wanna hit the, wanna hit the ground
Ground, ground,
I don't wanna hit the ground
don't wanna hit the ground

What Do You Say When You Can't Look Down
When You Feel Like You're Ten Feet Off The
Ground
What Do You Do When You're On The Edge
Now You're Here And You Got Me Thinking
About
Parachutes And Airplanes
Thinking About
Parachutes And Airplanes
Yeah, Yeah
What Do You Say When You Can't Look Down
When You Feel Like You're Ten Feet Off The
Ground
What Do You Do When You're On The Edge
Now You're Here And You Got Me Thinking
About
Parachutes And Airplanes
Thinking About
Parachutes And Airplanes
We'll Never Hit The Ground, Ground, Ground,
Ground
Never Hit The Ground, Ground, Ground, Ground
