You're telling me it's over now  
It's like you turned the volume down  
Now I can't even hear a sound.  
Looks like you're about to leave  
Now it's getting kinda dark to me  
Cuz that ain't something I can see.  
It's like I'm getting worse everyday  
Girl I'm breaking down.  
Got my heart on the floor  
And I can't feel it,  
Everything's numb.

Now I'm senseless  
Got no feelings left.  
My pain won't let this heart beat in my chest,  
Now I'm senseless.  
Why are we doing this?  
I'm so losing it, oh oh, senseless.

Feels like I lost your love  
Since I had to give you up.  
And now I'm so outta touch, yeah.  
The other day I smelled your scent,  
It came across like punishment  
A bitter taste is lingering.  
My senses have seemed to escape  
All the feeling's gone.  
I'm cold and I'm lost  
With no direction

And everything's numb.

Now I'm senseless  
Got no feeling left.  
My pain won't let this heart beat in my chest,  
Now I'm senseless.  
Why are we doing this?  
I'm so losing it, oh oh.

Think it smells like rain, water on the floor.  
But I don't know cuz I'm so gone  
Can't even see tomorrow comin? on.

I can't even hear myself scream,  
Can't even feel anything.  
And I would die to love you if I could.

Cuz girl I'm so senseless  
Got no feelings left.  
My pain won't let this heart beat in my chest,  
Senseless. (I ain't got no, I ain't got nooo)  
Why are we doing this?  
I'm so losing it, oh oh.

Oh, senseless.  
Oh, senseless
