Wasting time  
Just going mindless  
Watching your charades  
When you were younger  
Did it occur to you  
Ten years from then  
You'd act the same age?

I cannot carry on this way,  
Although I've carried all your every little thing  
Carry me away

Did you feel like stomping the roses?  
Smashing out all the feeling inside of them  
It's bad business  
The way you're stomping the roses

I was flippin' channels on my television  
And it made me feel unwell  
One of those complicated soap operas  
I almost felt like I was watching myself

I cannot carry on this way,  
Although I've carried all your every little thing  
Carry me away

Did you feel like stomping the roses?  
Smashing out all the feeling inside of them

It's bad business  
The way you're stomping the roses  
Everyone knows it

I know I know I know I know it's over  
and I know I know I know I've  
Always been your token nice guy  
You know that you rule your whole world  
And thought I could live in it  
But I just can't..

You know you stomping the roses?  
Smashing out all the feeling inside of them

It's bad business  
The way you're stomping the roses  
Everyone knows it

Stomping the roses  
Smashing out all the feeling inside of them  
It's bad business  
The way you're stomping the roses

(oooooh...)  
(Stomping.. oh stomping yeah..)  
(Oh oh hoo yeaah..)  
(Take it easy, Ye..eah)
