Down, Down,  
Down, Down,  
Down, Down,

Here I am with all these questions hanging from my  
ceiling low  
One by one they all keep telling me I told ya so  
Everywhere I turn I see red lights flashing over my  
head  
Oh no, Oh no, Oh no  
Mmm

And the world went spinning  
Yeah, somehow it knocked me off my feet  
But I know better than to let it get the best of me  
I could give up  
I could stay stuck  
I could move on

So I put  
One foot front of the other  
No no no nothing's gonna break my stride  
I keep climbing  
Gonna keep fighting  
Until I make it to the other side of  
Down  
Down  
Down-whoa oh oh own

In the sky I'm standing under  
All I see is endless rain  
I think I spot a silver lining hiding in the grey  
I might get tossed around  
But I'm always bouncing back  
Oh, Oh, Oh

I could give up  
I could stay stuck  
Or I could move on

So I put  
One foot front of the other

No no no nothing's gonna break my stride  
I keep climbing  
Gonna keep fighting  
Until I make it to the other side of  
Down  
Down  
Down-whoa oh oh own

Down  
Down  
Down-whoa oh oh own

From the other side of down  
It keeps calling me  
Where I wanna be  
On the other side of down  
It keeps calling me  
Where I wanna be

Where I wanna be

Ohh I put  
One foot front of the other  
No no no nothing's gonna break my stride  
I keep climbing  
Gonna keep fighting  
Until I make it to the other side of  
Down  
Down  
Down-whoa oh oh own

Down  
Down  
Down-woah oh oh own

Oh, down, down,  
Oh, down, down,  
The other side of down, down,  
Other side of down-oh oh own  
Oh yeah yeah yeah yeah
