Yeah, Yeah,
Mmmmm

Everybody's got a time in their life
When everything hurts and nothing's right
But you gotta walk on
Yeah, you gotta walk on

Everybody's got a piece of their heart
That's been stepped on and torn apart
But you gotta be strong
Yeah, you gotta walk on

'Cause I know it's hard to have the strength
And sometimes you can't get through the day
But things just float on by like a river in the night

But I know things are gonna get better
And I know things are gonna be fine
And I know life is gonna get better
Standing here together
Yeah, we're gonna be fine

Everybody's got that one regret
No matter how they try, they can't forget
But you gotta move on
Yeah, you gotta move on
Everybody's got someone they've lost
And they can't believe they're really gone
But you gotta live on

Yeah, you gotta live on

'Cause I know it's hard to have the strength
And sometimes all you feel is pain
But time keeps floating by on that river in the night

But I know things are gonna get better
I know things are gonna be fine
And I know life is gonna get better
Standing here together
Yeah, we're gonna be fine

And Iâ€™ve been shown hope
I see it in your eyes
So take me and touch me
â€™Cause with a little bit of love
We can win the fight
With a little bit of love
We can see the light
With a little bit of love
Itâ€™ll be all right

I know things are gonna get better
And I know things are gonna be fine
And I know life is gonna get better
Standing here together
Yeah, weâ€™re gonna be fine

Walk, walk, walk on by
Keep, keep, keep walking on
Keep, keep, keep walking on
