Saw you from a distance
Saw you from the stage
Something about the look in your eyes
Something about your beautiful face

In a sea of people
There is only you
I never knew what the song was about
But suddenly now I do

Trying to reach out to you, touch my hand
Reach out as far as you can
Only me, only you, and the band
Trying to reach out to you, touch my hand

Can't let the music stop
Can't let this feeling end
Cause if I do it'll all be over, I'll never see you again
Can't let the music stop
Until I touch your hand
Cause if I do it'll all be over, I'll never get the chance
again
I'll never get the chance again
I'll never get the chance again

I see the sparkle of a million flashlights
A wonderwall of stars
But the one that's shining out so bright is the one right
where you are
[Touch My Hand lyrics on]

Trying to reach out to you, touch my hand
Reach out as far as you can
Only me, only you, and the band
Trying to reach out to you, touch my hand

Can't let the music stop
Can't let this feeling end
Cause if I do it'll all be over, I'll never see you again
Can't let the music stop
Until I touch your hand

Cause if I do it'll all be over, I'll never get the chance
again
I'll never get the chance again

Saw you from the distance
Saw you from the stage
Something about the look in your eyes
Something about your beautiful face

Can't let the music stop
Can't let this feeling end
Cause if I do it'll all be over, I'll never see you again
Can't let the music stop
Until I touch your hand
Cause if I do it'll all be over, I'll never get the chance
again
I'll never get the chance again

Can't let the music stop
Can't let this feeling end
Cause if I do it'll all be over, I'll never see you again
Can't let the music stop
Until I touch your hands
Cause if I do it'll all be over, I'll never get the chance
again
I'll never get the chance again

Trying to reach out to you, touch my hand
Reach out as far as you can
Only me, only you, and the band
Trying to reach out to you, touch my hand
Yeah, yeah, yeah
