### DAVID BANNER LYRICS

"Play"

Cum girl, I'm tryna get your pussy wet  
Work that, lemme see you drip sweat  
Cum girl, I'm tryna get your pussy wet  
Work that, lemme see you drip sweat  
Gon play with it  
Gon play with it  
Gon play with it  
Gon play with it  
Gon play with it  
Work that clit  
Cum girl

Finger fuck your pussy like you want some, girl  
Work it like a nigga straight licking on your pearl  
I wanna see you cum in the middle of the dance floor  
A nigga can't fuck, what you think your finger made for  
I'ma beat that pussy up  
You get it wet enough, and I might lick it up  
Lickey, lickey, lickey, like a peppermint swirl  
Lick that clit  
Cum girl  
Uh, I wanna see your legs shake  
Take you to the crib, we can fuck til the bed break  
Uh, fuck you til your pussy ache  
Think about the type right now, girl, mastur  
(Uh uh) bate for a nigga, freak you in the clubs  
stop worrying about them other hoes  
It's me in your world  
Work that clit  
Cum girl

Cum girl, I'm tryna get your pussy wet  
Work that, lemme see you drip sweat  
Cum girl, I'm tryna get your pussy wet  
Work that, lemme see you drip sweat  
Gon play with it  
Gon play with it  
Gon play with it

Gon play with it  
Gon play with it  
Work that clit  
Cum girl

Cum on your finger girl, lick it all off  
Catch it in your mouth, like your last name Moss  
Play with the middle girl, stick it on in  
I'm feeling real freaky girl, bring your friends  
I can make 'em bounce like 1, 2, 3  
It ain't nothin' to a pimp, girl, play with the g-spot  
Make it hot, gon on, get your girl, Sheryl  
Bring your clique  
Cum girl  
And I'ma make 'em all cum  
Beat it like Mr. Calipark on the drum  
I'ma beat it like Mike when he fucked Billie Jean  
Work it, work it, work it, til you make that pussy cream  
Move it to the right, move your finger to the left  
Work it all around til your ass outta breath  
I ain't tripping on ya baby, put some dick in your world  
Work that clit  
Cum girl

Cum girl, I'm tryna get your pussy wet  
Work that, lemme see you drip sweat  
Cum girl, I'm tryna get your pussy wet  
Work that, lemme see you drip sweat  
Gon play with it  
Gon play with it  
Gon play with it  
Gon play with it  
Gon play with it  
Work that clit  
Cum girl

Bend it on over, lemme see it from the back  
Work your thumb in it girl, I love it like that  
Freaky ass hoes, lil freaky ass men  
Lemme work ya slow, lemme see it going in  
Then you pull it out, put your fingers in your mouth  
You make a nigga wanna fuck your ass on the couch  
While we're still in the club, show your pussy love  
Work that clit  
Cum girl  
Go on and hit the dance floor  
Open up wide, lemme show you what's it made for  
Uh, like a finger, like a donkey  
Lemme see you play, play with your monkey  
Damn, cause your ass so chunky  
Bring it here, sweaty, cause I love it when it's funky

I'ma put some dick in your world  
Work that clit  
Cum girl

Cum girl, I'm tryna get your pussy wet  
Work that, lemme see you drip sweat  
Cum girl, I'm tryna get your pussy wet  
Work that, lemme see you drip sweat  
Gon play with it  
Gon play with it  
Gon play with it  
Gon play with it  
Gon play with it  
Work that clit  
Cum girl

Work that clit  
Cum girl
