I can hear it in the cold of the night, y'all niggas wanna  
take my life, oh  
I been tryin' to do right, but they still wanna take my  
life, oh  
I can hear it in the cold for the night, y'all niggas wanna  
take my life, oh  
I been tryin' to do right, but they still wanna take my  
life, oh

I can feel it in the night time  
I say the Lord gave life, but these niggas wanna take  
mine  
I heard it through the grapevine  
They have to feel, they'd rather see me burnin' in hell,  
and that's the truth

They'll set you up got proof, think about the 12  
disciples  
With one trade it dead to Christ, for small cheese  
And they'll do it to me, damn and they'll do it to you  
It only takes one in you crew  
To cock back, bla, and take your life from you  
To cock back, bla, and take your life from you

I can hear it in the cold of the night, y'all niggas wanna  
take my life, oh  
I been tryin' to do right, but they still wanna take my  
life, oh  
I can hear it in the cold for the night, y'all niggas wanna  
take my life, oh  
I been tryin' to do right, but they still wanna take my  
life, oh

Think about the slave trade, we sold our own just to get  
paid  
And all days it's the same thang, till it's brains hang  
White folks contributed, it's a gang bang  
Dope slang, gain, mayn but we all some thugs  
The same one that you love will kill your ass for drugs

Come to the funeral with kisses and hugs  
For your mom, your sister, your brother and all

And really all they wanted was to see you fall  
Best friend dead for these nigga can ball  
Best friend dead so the streets can ball

I can hear it in the cold of the night, y'all niggas wanna  
take my life, oh  
I been tryin' to do right, but they still wanna take my  
life, oh  
I can hear it in the cold for the night, y'all niggas wanna  
take my life, oh  
I been tryin' to do right, but they still wanna take my  
life, oh

Sometimes I tend to lose my faith  
I'm askin' God to hear my case  
If you could see it through my eyes  
They all wanna see me read my dimize

I feel alone to lose my mind  
Beggin' God just send me a sign  
Tryin' to do the best that I can  
Be a man and follow Gods plan

I been tryin' to do right but niggas wanna take my life  
I been tryin' to do right but niggas wanna take my life

I can hear it in the cold of the night, y'all niggas wanna  
take my life, oh  
I been tryin' to do right, but they still wanna take my  
life, oh  
I can hear it in the cold for the night, y'all niggas wanna  
take my life, oh  
I been tryin' to do right, but they still wanna take my  
life, oh
