Hoping to keep you on a string, on a string my baby  
â€¦ one of you fool, damn

Mississippi rock the gun, cats stay for flake  
The murder rape escalates, the more that I make  
The more that they wanna take  
My life is the slave mentality  
I got news breaker it's just a small technique quality  
They â€¦ what they blame it on  
What you banging ban out â€¦ thirty homes  
I'm a grown man, and my past is a blur  
And can't hurt playing axe if I was talking about her  
The bad thing is she really wasn't sure  
If she was a whore or a queen and I'm really not sure  
If I'm a nigger or a king, you staying stand up  
If you know what that means  
It mean stand up if you know what I mean  
Oh man, I talk to holy ghost

Now it's more like my soul's on comatose  
And I wonder â€¦ lead them through the light  
I lead them through .. and boards turn to gun like  
turning half pikes

Now every rapper's â€¦ the more the money that I feel  
And no one else try to stop me cause they were going  
for themselves  
The richer that you get the more you turn away from  
God  
And report that you wanted more, you steal cause it's  
hard  
We hope for depresses like Smeagul live in â€¦  
We love Jay's life but we don't need baby seals story  
I'd rather be â€¦ annoying when I'm shooting the last  
â€¦  
No triangles over my head but folks live rock to rock,  
block to block  
I want them to do better so I try to find something else  
to rap about  
Lord, it's hard, cause that's all that they see  
I know they hate themselves and I know they hate me

Lord it's so hard trying to set my â€¦ free  
But the show is about to start, stay tuned channel 3,  
Mississippi, damn  
...tired, to have, to have, no denying
