They call me David Banner
I'm like David what it is
Oh you're looking good
Tell me if you have some...
I'm like: Hell no
Cause I'm all...
You can come and take a seat
You look good
No way... upon this hood
In this... all I wanna do is get your love
You'll be talking all that shit
You ain't even on my will
I'm the...
Do you get the sign?
Do I rhyme? Yeah bay, tell me...
All I did was ha ha ha laugh like...
Slow down
Baby girl slow down
Baby girl turn around
And I told her
Slow down
Baby come around
If you get off that... pop the ground
Slow down
I had... to my pants
Is she working
... engine body language is...
But I wonder why is good so persistent
But the kissing makes me wanna put a chick...
I'm gonna stand up... is the clicking
I'm gonna put her on the back
But something is telling me not to do that
Something is wrong
And I asked her why she gotta... every song
I don't have to tell you why take my hand and come
along
My baby...
Got a second job gotta work that too
That's why I'm sliding down the pole
No conscious needed I'm nobody's ho
I'm an independent woman I ain't got time for nothing
Can't slow down

I'm gonna get myself... my situation matter
I will slow down
Baby girl slow down
Baby girl turn around
And I told her
Slow down
Baby come around
If you get off that... pop the ground
Slow down
I'm an independent woman I ain't got time for nothing
Can't slow down
