Over here's bout their defense They can't stop a nose bleed 25th in the league And we don't want to get disrespected Ye Congratulations, see you in Pittsburgh Can't Wait (Can't Wait)

Meet me at the Superbowl (bowl) I can't wait (I cant' wait) You want pain Give ya Saturday Saturday Meet me at the Superbowl (bowl) I can't wait (I cant' wait) You want pain Give ya Saturday Saturday

## Yea

I see the fear in your eye, player And we ain't worried 'bout these commentators And we ain't worried 'bout no sack Where your quarterback at? Hes layin' on his back And tell kamish that I'm trying to bring the pain Im trying to lead this thing with 5 Superbowl rings I play this game like its the last day of my life I'm on defense playing I ain't trying to be nice

Meet me at the Superbowl (bowl)

I can't wait (I cant' wait) You want pain Give ya Saturday Saturday Meet me at the Superbowl (bowl) I can't wait (I cant' wait) You want pain Give ya Saturday Saturday

They said we couldn't make it didn't have what it takes So I think about that with every bone I break Yea We imprevent that's a fake We switched it to a blitz make the guarter back shake

Yea now he layin' on his face 50 more yards two minutes I can taste The thrill of victory I wont let it get to me If we stand tall right now we part of history

Meet me at the Superbowl (bowl) I can't wait (I cant' wait) You want pain Give ya Saturday Saturday Meet me at the Superbowl (bowl) I can't wait (I cant' wait) You want pain Give ya Saturday Saturday
