Yes yes yes, we tune it
Night time ride

Feel it grow nice and slow
Move your body to and fro
To and fro don't you know
Move your body, feel it grow

Don't be shy, step inside
B.A.D. in the night time ride
B.A.D. in the night time ride
B.A.D. in the night time ride

BAD
Feel your body then make it groove
Feel the beat gonna make it move
And the drums gonna make you move
Got a beat that you're coming through

BAD
Feel your body then make it groove
Feel the beat gonna make it move
And the drums gonna make you move
Got a beat that you're coming through

Feel it --- the blues
Hanging on the 1s and 2s
1s and 2s, that's the truth
Move your body, feel the groove

Don't be shy, step inside
B.A.D. in the night time ride
B.A.D. in the night time ride
B.A.D. in the night time ride

BAD
Feel your body then make it groove
Feel the beat gonna make it move
And the drums gonna make you move
Got a beat that you're coming through
