(Go ahead London)

Bad laugh?, Bad language
Bad news, Bad

When I'm at home
My woman won't leave me alone
And that's bad
So bad

So I walked out of the door
And it seemed worse than before
And that's bad
So bad

And the thought occurred to me
How come that everything you see
Is so bad
So bad

But before I realised
Hit by a truck and paralyzed
And that's bad
So bad

A golden opportunity
Claim my insurance policy
Hmmmmm...
So bad

These are the things that drive me crazy
(Crazy, crazy, crazy)
These are the things that make me bad
(Go ahead London)
(Crazy)

Watch TV go goggle-eyed
See a horror movie get petrified

Gonna dye your hair use peroxide
Smoke a spliff & get red eyed

Hitler wanted to commit genocide
To the allied fighters he notified
Went to Poland, and the place he occupied
They all had a war and millions died

Jerry Lee Lewis had a child bride
Only thirteen but he said he's justified

Clint Eastwood starred on Raw Hide
Now he lives in California up a mountain side

Making love you got to be satisfied
Make a mistake you got to be rectified
Jesus Christ got crucified
So the Empire Rome could get gratified

These are the things that drive me crazy
(Crazy, crazy, crazy)
These are the things that make me bad
(Make me bad)
(Crazy)

From the dance floor I can see,
Decadent society

And that's bad
So bad

As diverse as it could be
It's still cold and empty
And that's bad
So bad

Close the floor
That's the score
You don't like it
There's the door
And that's bad
So bad

Attitudes of some would say
I got money, I'm okay
And that's bad
So bad

These are the things that drive me crazy
(Crazy, crazy, crazy)
These are the things that make me bad
(Bad)
(Crazy)

Yeah, yeah
Yeah, yeah
Do it, do it, do it

Got to modify your wheels if you want to low ride
Windscreen says tax applied

Play your music loud well amplified
Eat selection bonafide

Hawaii 5-0 deals in homicide
Gonna slap a victim, get your bullet fired

Some people like to eat Kentucky Fried
Others like a Big Mac and French Fries

Make sure your money's on a downward slide
On the best course of action no one can decide

Company cheques got to be verified
Poor people got no money but they got their pride

Cop on wheels is Ironside
East, sleep, work, cheat, nine to five

Reagan won in a landslide
Which brings us back to Raw Hide
(Raw Hide)

These are the things that drive me crazy
(Crazy, crazy, crazy)
These are the things that make me bad
(Make me bad)
(Crazy, crazy)
(Go ahead London)

(Crazy, crazy)

These are the things that drive me crazy
(Crazy, crazy, crazy)

This is so fucking bad
