"Slinky Chinese

Slinky violence"

"Mister Wu no longer has a laundry

Sad to say the business was a flop"

Chinatown Friday night

The weekend is alright

Dragon dance the yellow streets

Gambling dens and sour sweet

Neon signs inside of my head

Better thought and never said

As long as I don't get too close

And I don't offend my hosts

No way out on Gerrard Street

Dragon's heart begins to beat

If this night could last all day

Order you and take away

At this corner we must part

Say goodnight where Soho starts

At this corner we must part

Say goodnight where Soho starts

In the Lido people stare

Pretending I don't care
Thrown a menu I can't read
"What number do you need?"
Fortunes told and fire crack
Letter bold you must get back
I really have no appetite
Dragon town on a Friday night
No way out on Gerrard Street
Dragon's heart begins to beat
If this night could last all day
Order you and take away
"Chinatown
Chinatown"
"Chinatown
Chinatown"
If this night could last all day
Order you and take away
No way out on Gerrard Street
Dragon's heart begins to beat
If this night could last all day
Order you and take away
"Chinatown
Chinatown"
"Chinatown
Chinatown"

If this night could last all day

Order you and take away

No way out on Gerrard Street

Dragon's heart begins to beat

If this night could last all day

Order you and take away
