If I knew what I wanted, I just don't have the time
I wanna ride my motorcycle into the sunshine
My TV's laughin', making me feel small
Like I'm sad in a cell, all I see is these walls
And I never wanna see another shopping mall
Oh free to be what I will
Oh free, I'll keep it up 'till I'm free or I won't have
nothing at all

This is my life, believing it, I will pay
But why should I care about all that today?
I need a head start and I don't wanna stall
Gonna take a bulldozer to break down the walls

And I never wanna see another shopping mall
Oh free to be what I will
Oh Free, I'll keep it up 'till I'm free or I won't have
nothing at all

Once we get out off the eighties, the nineties are
gonna make the sixties look like the fifties

Oh free to be what I will
Oh free, I'll keep it up 'till I'm free or I won't have
nothing at all
Oh free to be what I will
Oh free, I'll keep it up 'till I'm free or I won't have
nothing at all

WOW, I didn't have a rush like that since the Burgly
riots
