Yes yes, roll inside the sound

Feel the groove inside inside
Feel the groove inside
Feel the groove inside inside
Feel the groove inside

Flashing lights moving to the beat
Mirrored walls falling at your feet
I'm just the DJ baby mixing for you
I will not stop 'till this club night is through

Must be the music
It's turning me on
Must be the music
I cannot go wrong

Must be the music
It's turning me on
Must be the music
I cannot go wrong

My voice is on so let me MC
I'll spin my records fit you closer to me
The way you dance is blowing my mind
I'm in my booth watching you all the time

Must be the music
It's turning me on
Must be the music
I cannot go wrong

Must be the music
It's turning me on
Must be the music
I cannot go wrong

DJs may come and DJs may go
But I'm the best baby, don't you know?
But I won't give it up no matter what you do
I will not rest until this night is through

Must be the music
It's turning me on
Must be the music
I cannot go wrong

Must be the music
It's turning me on
Must be the music
I cannot go wrong

I'll keep you hot 'till the daylight, oh I will
I'll keep you moving all through the night 'till the
morning light
I'll keep you hot 'till the daylight, oh I will
I'll keep you moving all through the night 'till the
morning light

I'll keep you hot 'till the daylight, oh I will
I'll keep you moving all through the night 'till the
morning light
I'll keep you hot 'till the daylight, oh I will
I'll keep you moving all through the night

Must be the music
It's turning me on
Must be the music
I cannot go wrong

Must be the music
It's turning me on
Must be the music
I cannot go wrong

I'll keep you hot 'till the daylight, oh I will
I'll keep you moving all through the night 'till the
morning light
I'll keep you hot 'till the daylight, oh I will
I'll keep you moving all through the night 'till the
morning light

I'll keep you hot 'till the daylight, oh I will
I'll keep you moving all through the night 'till the
morning light
I'll keep you hot 'till the daylight, oh I will
I'll keep you moving all through the night 'till the
morning light

I'll keep you hot 'till the daylight, oh I will
I'll keep you moving all through the night 'till the
morning light

I'll keep you hot 'till the daylight, oh I will
I'll keep you moving all through the night 'till the
morning light

I'll keep you hot 'till the daylight, oh I will
I'll keep you moving all through the night 'till the
morning light
I'll keep you hot 'till the daylight, oh I will
I'll keep you moving all through the night
