Hey Jack...I know what your thinking. That now's as  
good as any to start  
Drinking. Hey Scotty...Yeah...What's it gonna be? A gin  
& tonic sounds might  
Mighty good to me.  
Man I know I gotta go it's the same thing every time,  
but I don't think  
Another drinks' gonna make me lose my mind. So I  
think about my next drink,  
And it's you & me and the bottle makes 3 tonight.  
Well I know this cat named Mo. He wanders to and fro.  
His and my favorite  
Waterin' hole. I said hey Mo, "how you doing, where  
have you been?"  
He said, "I've been fine with my whiskey, wine and gin."  
Man I know I gotta go it's the same thing every time,  
but I don't think  
Another drinks' gonna make me lose my mind. So I  
think about my next drink,  
And it's you & me and the bottle makes 3 tonight.
