It isn't easy to show you what you mean to me
I'm not that kind with all the moves
The way I'm feeling goes beyond what you can see
I'm crazy 'bout you, crazy 'bout you

I haven't tried to impress you by the things I do
That isn't really how I am, hmmm...
I'd rather let my dreams be opened up to you
So you'll understand, you'll understand

Take a look inside my heart and you'll see
I have so much love to give beLieve in me
Take a Look inside my heart share my Love
Take a Look in my heart... yeah...

Nobody ever is perfect even if they try
There may be times I've let you down

But when I do I hope you'll turn my heart around
By reachin' inside, reachin' inside

Take a look inside my heart and you'll see
I have so much love to give beLieve in me
Take a Look inside my heart share my Love
Take a Look in my heart...

I wanna promise you honestly I'll always care
That's what my Love has come here for
And every time I smiLe you know there's something
more
I'm waiting to share, wanting to share

Take a look inside my heart and you'll see
I have so much love to give beLieve in me
Take a Look inside my heart share my Love
Take a Look in my heart...
