red left Cleveland on the eighth day of July
she said this town can burn for all i care
drove like hell until the smoke filled the sky
god damn car won't get me anywhere
yea, you got me in pieces
baby it just increases
though i think I'm going crazy
on the side
route 80 they say wisdom comes for free
oh jules you know i miss you terribly
god i hope you hear me

oh wouldn't you agree
this is an old song
this is an old song
yea, wouldn't you agree

well he saw her throw her sandals down the road
and he wasn't too sure of what to say
you know the sunset in Ohio makes me mad
but something feels different today

yea you got me in pieces
baby it just increases
where did you come from baby
oh jules, I like the way your eyes shine when you smile
but Cleveland's not a place for you and me
why don't you believe me

oh wouldn't you agree
this is a love song
this is a love song
yea, wouldn't you agree

well we gotta get away from this town
how 'bout Georgia, watch the leaves come down
grey hound leaves south bound maybe three times or
more
yea this time, this time i swear that
you got me in pieces
baby it just increases
where did you come from baby

oh, wouldn't you agree
this is an old song
this is a love song
this could be our song
yea wouldn't you agree

(this is a love song)
yea wouldn't you agree
