ANGEL

I sit and wait
As an angel contemplate my fate
And do they know
The places where we go
When we're grey and old

Dicen que son sus alas
nuestra salvaci3n

So when I'm lying in my bed
Thoughts running through my head
And I feel that love is dead
I'm loving angels instead

Su coraz3n muy cerca de mi cuerpo
da vida a mi silencio con su respiracion

And down the waterfall
Wherever it may take me
I know that life won't break me
When I come to call

She won't forsake me
Un 3ngel vuela por mi

Cuando veo aqui
son su ojos luz y color
Se que yo puedo amarte
y puedo...sin temor

And as the feeling grows
She breathes flesh to my bones
And when love is dead
I'm loving angels instead

Su coraz3n muy cerca de mi cuerpo
da vida a mi silencio con su respiracion

And down the waterfall
Wherever it may take me

I know that life won't break me
When I come to call

She won't forsake me
Un Ángel vuela por mi
