You whisper in my ear  
All the things I want to hear  
You say you're sorry and you can change  
If I give you one more chance

But I've heard it all before  
You can't hurt me anymore  
All the lying and all the pain  
Now there's nothing left to break

I know what  
You're feeling  
Don't it hurt now?  
I hope it hurts so bad

I want to see the tears in your eyes  
For me  
You've thrown it all away  
There's nothing you can say  
Just cry for me

Cry for me  
Cry for me

I've cried so many nights  
With you lying by my side  
I was so lonely in love with you  
Now I feel like such a fool

But my tears are far from dry  
Now I need to see you cry  
For all that you have put me through  
Its all coming back to you

Yes I know  
What you're feeling  
Don't it hurt now?  
I hope it hurts so bad

I want to see the tears in your eyes  
For me

You've thrown it all away  
There's nothing you can say  
Just cry for me

Cry for me  
Cry for me

(I gave it all) Gave it all to you baby  
(You broke my heart) Gave it , I gave it , again  
(I want it back) I want it back now  
I hope it hurts  
I really hope it hurts you now  
So bad now

For me  
You've thrown it all away  
There's nothing you can say  
Just cry for me

Cry for me  
Cry for me  
Cry for me  
Cry for me
