Woo
Thaaa
Thaaa
Always in trouble
Never to blame
Must be a double
You are the same
Here it comes again
Doing the wrong thing
Forgetting your li..ines
Waiting for something
better to shine
Take that same okay
After today,
fortune man will find you
After today,
they will find you working
After today,
you'll find the ones you're after
After today,
look out, after today
What kind of rescue?
What will you be?
Where can you take it, baby boy?
Me...
Break that heart, boy!
{Chorus}
After today,
your fortune fan will find you
After today,
they may pry you away
After today,
you'll find the one you're after
After today,
look out, after today
{chorus}
Today
After today
After toda-ay, hey
Look out, after today
Ah, yeah
Look, ah (laughter)

(spoken : I was gettin' in ta that)
(laughter)
