Yeah 'n' I'm doin' all right in school  
They ain't said I broke no rule  
I ain't never been in Dutch  
I don't browse around too much

Don't bother me, leave me alone  
Anyway I'm almost grown

I don't run around with no mob  
Got myself a little job  
I'm gonna buy me a little car  
Drive my girl in the park

Got my eye on a little girl  
Ah, she's really out of this world  
When I take her to the dance  
She's got to talk about romance

You know I'm still livin' in town  
But I done married and settled down  
Now I really have a ball  
So I don't browse around at all
