(Bowie/Gabrels)

Hey-hey it's the tall sail on  
On a beach reach for Java  
Make way for to Java  
Watching for Boogies  
Hey-hey it's a dreaming  
I would burn you if you should die  
Hey-hey I would burn too  
If you should lie upon that bamboo pyre

CHORUS

I dream of Amlapura  
Never saw in all my life  
a more shining jewel  
I dream of Amlapura  
Of an ocean or dream of a princess  
in stone

Hey-hey golden roses around  
A rajah's mouth  
Hey-hey all the dead children  
buried standing  
A flying Dutchman  
Smoking gun and spice wind

CHORUS
