As such a sad love  
Deep in your eyes, a kind of pale jewel  
Open and closed within your eyes  
I'll place the sky within your eyes

There's such a fooled heart  
Beating so fast in search of new dreams  
A love that will last within your heart  
I'll place the moon within your heart

As the pain sweeps through  
Makes no sense for you  
Every thrill has gone  
Wasn't too much fun at all  
But I'll be there for you-oo-oo  
As the world falls down  
Falling  
(as the world) falling down  
Falling in love

I'll paint you mornings of gold  
I'll spin you valentine evenings  
Though we were strangers till now  
We were choosing the path between the stars  
I'll leave my love between the stars

As the pain sweeps through  
Makes no sense for you  
Every thrill has gone  
Wasn't too much fun at all  
But I'll be there for you-oo-oo  
As the world falls down  
Falling  
(as the world falls)  
Falling  
Falling  
As the world falls down  
Falling  
Falling  
Falling  
Falling in love  
As the world falls down

Falling  
Falling  
Falling  
Falling in love  
As the world falls down  
Makes no sense at all  
Makes no sense to fall  
Falling  
As the world falls down  
Falling  
Falling  
Falling in love  
As the world falls down  
Falling  
Falling  
Falling in love  
Falling in love  
Falling in love  
Falling in love  
Falling in love
