Ooo

Weavin' down a by road, singin' the song  
That's my kind of high rollin' gone wrong

My my

(Smile at least)

You can't say no to the beauty and the beast

Something in the night

Something in the day

Nothing is wrong but darlin' somethin's in the way

There's slaughter in the air

(Slaughter)

Protest on the wind

Someone else inside me

Someone could get skinned, how?

My my

(Someone fetch a priest)

You can't say no to the beauty and the beast

Darling

My my

You can't say no to the beauty and the beast

(Weakling)

My my

You can't say no to the beauty and the beast

I wanted to believe me

I wanted to be good

I wanted no distractions

Like every good boy should

My my

Nothing will corrupt us

Nothing will compete

Thank God heaven left us

Standing on our feet

My my beauty and the beast  
(My my)  
Just beauty and the beast  
You can't say no to the beauty and the beast  
(Darling)

My my  
My  
My my  
My
