Oh oh oh ohoo little china girl  
Oh oh oh ohoo little china girl

I could escape this feeling, with my china girl  
I feel a wreck without my, little china girl  
I hear her heart beating, loud as thunder  
Saw the stars crashing

Im a mess without my, little china girl  
Wake up mornings wheres my, little china girl  
I hear hearts beating, loud as thunder  
I saw they stars crashing down

I feel an tragic like an marlon brando  
When I look at my china girl  
I could pretend that nothing really meant too much  
When I look at my china girl

I stumble into town just like a sacred cow  
Visions of swastikas in my head  
Plans for everyone  
Its in the white of my eyes

My little china girl  
You shouldn't mess with me  
Ill ruin everything you are  
Ill give you television  
Ill give you eyes of blue  
Ill give you men who want to rule the world

And when I get excited  
My little china girl says  
Oh baby just you shut your mouth  
She says ... sh  
She says  
She says

And when I get excited  
My little china girl says  
Oh baby just you shut your mouth  
And when I get excited  
My little china girl says

Oh baby just you shut your mouth  
She says ... sh  
She says

Oh oh oh ohoo little china girl  
Oh oh oh ohoo little china girl  
Oh oh oh ohoo little china girl  
Oh oh oh ohoo little china girl  
Oh oh oh ohoo little china girl
