You remind me of the babe
What babe?
The babe with the power
What power?
The power of voodoo
Who do?
You do
Do what?
Remind me of the babe

I saw my baby
Crying hard as babe could cry
What could i do
My babies love had gone
And left my baby blue
No body knew

What kind of magic spell to use
frogs and snail?
or puppy dogs tail?
Thunder or lightning?
and baby said

(baby talking)

Dance magic, Dance magic
Dance magic, Dance magic
Put that baby spell on me

(baby talks)

Jump magic, Jump magic
Jump magic, Jump magic
Put that baby spell on me
Slap that baby, Make him free!

I saw my baby,
trying hard as babe could try,
What could I do?
My babys fun had gone
And left my baby Blue
nobody knew,

What kind of magic spell to use
frogs and snail?
or puppy dogs tail?
Thunder or lightning?
and baby said

(baby talking)

Dance magic, Dance magic
Dance magic, Dance magic
Put that baby spell on me

(baby talks)

Jump magic, Jump magic
Jump magic, Jump magic
Put that Magic spell on me
Slap that baby, Make him free!

Dance magic dance, (dance magic)x4
Jump magic Jump (Jump magic)x2
Put that baby spell on me

(baby talks)

You remind me of the babe
What babe?
The babe with the power
What power?
Power of voodoo
Who do?
You do
Do what?
Remind me of the babe

Dance magic, dance ooh ooh ooh
Dance magic, dance, ooh ooh ooh,
Dance magic

What kind of magic spell to use?
frogs and snails
Or puppy dogs' tails
Thunder or lightning
Something frightening

Dance magic, dance
Dance magic, dance
Put that baby spell on me
Jump magic, jump
Jump magic, jump

Put that magic jump on me
Slap that baby make him free
Dance magic, dance (dance magic, dance)
Dance magic, dance (dance magic, dance)
Dance magic, dance (dance magic, dance)
Dance magic, dance (dance magic, dance)
Jump magic, jump (jump magic, jump)
Jump magic, jump
Put that magic jump on me
Slap that baby

Dance magic, dance (dance magic, dance)
Dance magic, dance (dance magic, dance)
Dance magic, dance
Slap that slap that baby make him free
Dance magic, dance (dance magic, dance) (repeat ad-lib)
