Oh, little baby  
You know I've been away  
Oh, little baby  
You know I'll come today  
Don't you know that

Everything's alright  
(Everything's alright)  
Everything's alright  
Everything's alright  
(Everything's alright, babe)  
Let me hold your hand and be your loving man  
(All night)  
Let me hold your hand and be your loving man  
(All night)  
Let me hold your hand and be your loving man  
(All night, alright!)

Oh, little baby  
You know I feel so good  
Oh, little baby  
I never knew I could  
And don't you know that

Everything's alright  
(Everything's alright, babe)  
Everything's alright  
Everything's alright  
(Everything's alright, babe)  
Let me hold your hand and be your loving man  
(All night)  
Let me hold your hand and be your loving man  
(All night)  
Let me hold your hand and be your loving man  
(All night, alright!)

Let me hold your hand and be your loving man  
Let me hold your hand and be your loving man  
Let me hold your hand and be your loving man

No, no, no, no, no  
That's a loving you

Must have been you  
I'm gonna all night loving you  
No, no, no, no, no  
I'll be good for you

Everything's alright  
(Everything's alright, babe)  
Everything's alright  
Everything's alright  
(Everything's alright, babe)  
Let me hold your hand and be your loving man  
(All night)  
Let me hold your hand and be your loving man  
(All night)  
Let me hold your hand and be your loving man  
(All night, alright!)

Everything's alright  
Everything's alright  
Ooh
