Fame, makes a man take things over  
Fame, lets him loose, hard to swallow  
Fame, puts you there where things are hollow  
Fame

Fame, not your brain, it's just the flame  
That burns your change to keep you insane  
Fame, fame, fame

Fame, what you like is in the Limo  
Fame, what you get is no tomorrow  
Fame, what you need you have to borrow  
Fame, fame

Fame, 'Nien! It's mine!' Is just his line  
To bind your time, it drives you to crime  
Fame, what's your name?

Fame, could it be the best, could it be?  
Really be, really, babe?  
Could it be, my babe, could it, babe? Really, really?

Is it any wonder? I reject you first  
Fame, fame, fame, fame  
Is it any wonder? You heart's too cool to fool  
Fame, fame

Fame, bully for you, chilly for me  
Got to get a rain check on pain  
Fame

Fame, fame, fame  
Fame, what's your name?
