Got to use her

Every time I feel
fascination
I just can't stand still,
I've got to use her
Every time I think
of what'cha pulled me through, dear
fascination moves,
sweeping near me
Still I take ya

{Chorus}
[Fascination] fascination
[sho'nuff] fascination
[takes a part of me] takes a part of me
[Can a heart-beat] can a heart-beat
[live in a fever] live in a fever?
[raging inside of me?]
[Fascination] fascination
[oh, yeah,] oh yeah
[takes a part of me] takes a part of me
[I can't help it] I can't help it
[I've got to use her] got to use her
[every time, oow]
fascination comes around
[Ahh, Oow-woo-oow]

[Fascination] Your soul is calling
like when I'm walking
Seems that everywhere I turn
I hope you're waiting for me
I-I know that people think
that I'm a little crazy
Oww, better sex is fun
I think I like fascination
Still, tic
