Got to use her  
Every time I feel fascination  
I just can't stand still, I've got to  
Use her  
Every time I think of what she pulled me through, dear  
Fascination moves sweeping near me  
Still I take ya

(Fascination) fascination  
(Sho 'nuff) fascination  
(Takes a part of me) takes  
A part of me  
(Can a heart-beat) can a heart-beat  
(Live in a fever) live in a fever?  
(Raging inside of me?)  
(Fascination) fascination  
(Oh, yeah) oh yeah  
(Takes a part of me) takes a part of me  
(I can't help it) I can't help it  
(I've got to use her) got to use her  
(Every time, ooh)  
Fascination comes around

(Ooh-oo-ooh)  
(Fascination) Your soul is calling

Like when I'm walking  
Seems that everywhere I turn  
I hope you're waiting for me  
I know that people think  
That I'm a little crazy  
Ohh, better sex is fun  
I think I like fascination  
Still, tick

(Fascination) fascination  
(Sho 'nuff) fascination  
(Takes a part of me) takes  
A part of me  
(Can a heart-beat) can a heart-beat  
(Live in a fever) live in a fever?  
(Raging inside of me?)

(Fascination) fascination  
(Oh, yeah) oh yeah  
(Takes a part of me) takes a part of me  
(I can't help it) I can't help it  
(I've got to use her) got to use her  
(Every time, ooh)  
Fascination comes around

(Fascination) fascination  
(Sho 'nuff) fascination  
(Takes a part of me) takes  
A part of me  
(Can a heart-beat) can a heart-beat  
(Live in a fever) live in a fever?  
(Raging inside of me?)  
(Fascination) fascination  
(Oh, yeah) oh yeah  
(Takes a part of me) takes a part of me  
(I can't help it) I can't help it  
(I've got to use her) got to use her  
(Every time, ooh)  
Fascination comes around
