I keep forgetting  
You don't love me no more  
I keep forgetting  
You want me no more  
I keep forgetting  
That you told me that you  
Didn't want me around anymore

But these stupid old feet  
Just head for your street  
Like they've done so many times before  
And this stubborn old fist  
On the end of my wrist  
Keeps knocking on your front door

I keep forgetting  
You don't love me no more  
I keep forgetting  
You want me no more  
I keep forgetting  
'Bout those heartbreaking nights  
And those heartbreaking things that you said

Though I know in my heart  
We're drifting apart  
I can't believe, our love is dead  
Though it's plain as can be  
You're finished with me  
I just can't get it through my head

I keep forgetting  
You don't love me no more  
I keep forgetting  
You don't want me no more  
I keep forgetting  
You don't love me no more

Though I know in my heart  
We're drifting apart  
I can't believe, our love is dead  
It's plain as can be  
You're finished with me

I just can't get it through my head

I keep forgetting  
You don't love me no more  
I keep forgetting  
You don't want me no more  
I keep forgetting  
That you told me that you  
Didn't want me around anymore

But these stupid old feet  
Just head for your street  
Like they've done so many times before  
And this stubborn old fist  
On the end of my wrist  
Starts knocking on your front door

I keep forgetting  
You don't love me no more  
I keep forgetting  
You don't love me no more  
I keep forgetting  
You don't want me no more
