Was she never there?
Was she ever?
Was it air she breathed?
At the wrong time
Oh ho
Oh ho
Oh ho
Oh ho

All the flowers sold
From the gallery
With the hymns of night
Singing come to me
At the wrong time
On the wrong day
All the lights are fading now
If I'm dreaming all my life

Just one living chance
When the another sighs
When the father steps aside
At the wrong time
Oh ho
Oh ho

Was she never here?
Was she ever?
Was it air she breathed?
At the wrong time
On the wrong day
All the lights are fading now
If I'm dreaming all my life
If I'm dreaming all my life

Was she ever?
Was she ever here?
If I'm dreaming all my life
If I'm dreaming all my life, away

Dreaming my life
Dreaming my
Dreaming my

Dreaming my
Dreaming my life
Dreaming my life, away
Oh ho
Dreaming my life
Dreaming my
Dreaming my life, away
Oh ho
Dreaming my life
Dreaming my
Dreaming my life, away
Oh ho
Dreaming my life
(Ho, ho ho ho)
Dreaming my
(Ho, ho ho ho)
Dreaming my life, away
(Ho, ho ho ho)
Oh ho
(Ho ho)

Ho, ho ho ho, ho ho ho, ho ho
Ho, ho ho ho, ho ho ho, ho ho
Ho, ho ho ho, ho ho ho, ho ho
...
