I don't wanna lose the good thing that I've got
If I do, I will surely, I will lose a lot

For your love is better than any other love I've known
It's like thunder
Lightnin'
The way you love me is frightenin'
I better knock on wood
Baby

I got superstitious 'bout you, but I can't take a chance
You got me spinnin', baby, spinnin' in a trace

But your love is better than any other other love I've
known
It's like thunder
Lightnin'
The way you love me is frightenin'
You better knock on wood
Yeah

It's no secret, but that woman fills my lovin' cup
She sees, so ready, that I get enough

And her love is better than any other love I've known
[It's like thunder]
It's like [Lightnin'], yeah
The way you love me is frightenin'
I better knock on wood
Baby
Ah, yeah

Better, yes, better
[Yes you better knock, knock, knock on wood] Oh,
knock on wood
[Yes you better knock, knock, knock on wood] You know
I would, would
[Yes you better knock, knock, knock on wood] It's no
secret
[Yes you better knock, knock, knock on wood] No, oh,
better

[Yes you better knock, knock, knock on wood] Hangin'
above me
[Yes you better knock, knock, knock on wood] I can't
leave her
[Yes you better knock, knock, knock on wood] Oh no,
baby
Knock on wood, WOO
