I don't wanna lose the good thing that I've got  
For if I have do, I will surely, I will lose a lot  
For your love is better than any other love other I've  
known

It's like thunder, lightning  
The way you love me is frightening  
I better knock on wood, baby

I got superstitious about you but I can't take a chance  
You got me spinning, baby, spinning in a trance  
But your love is better than any other love I've known

It's like thunder, lightning  
The way you love me is frightening  
You better knock on wood, yeah

It's no secret but that woman fills my lovin' cup  
Thus she sees to it that I get enough  
And her love is better than any other love I've known

It's like thunder  
It's like lightning, yeah  
The way you love me is frightening  
I better knock on wood

Baby, oh yeah  
I better knock, knock, knock  
(Yes, you better knock, knock, knock on wood)  
I better knock, knock, knock  
(Yes, you better knock, knock, knock on wood)

Oh, knock, knock wood  
(Yes, you better knock, knock, knock on wood)  
You know that I would [Incomprehensible], alright  
(Yes, you better knock, knock, knock on wood)

It's no secret  
(Yes, you better knock, knock, knock on wood)  
No, oh, you better  
(Yes, you better knock, knock, knock on wood)

Yeah that I've known  
(Yes, you better knock, knock, knock on wood)  
I can't leave her alone  
Oh no, baby, knock on wood
