### CHORUS

Life is a circus  
It's not fair  
Life is a hard road  
When you're not there  
At the fair

Friends come to see me  
[and the ...](point where shall I go)  
To see the show  
[to help my friend and foe]  
[all that ..]  
When will they realize  
[To laugh and drag my name on the ground]  
The circus must go

[Looking at the strengths of every]

???

Papa he talks to me  
Don't try your heart  
Gets deep inside you  
Does you real harm  
Don't you care?

Life ??  
[and the ...]  
Stand straight and true  
[to help my friend and foe]  
[Why let them ](Oh let them fight)  
Fight your  
Christ don't tell
