Burning up each others' love, burning up our lives
Tried all kinds of working out, miracle goodnight
Future full and empty, knocking on my door
Ragged limbed and hungry mama, miracle no more

Skin tell me
Turn it around
Head tell me
Make it alright
Nobody dancing

Morning star you're beautiful, yellow diamond high
Spins around my little room, miracle goodnight
Even flower all alone, pazanane capeche
Haven't got a death wish, just want a little more

Skin tell me
Turn it around
Head tell me
Make it alright
Nobody dancing
Miracle goodnight

Breath tell me
Turn it around
Heart tell me
Make it alright
Nobody dancing
It was only make believe

I wish there was a sailor a thousand miles from here
I wished I had a future, anywhere

I love you in the morning sun, I love you in my dreams
I love the sound of making love, the feeling of your skin
The corner of your eyes, I long forever more
I never want to say goodnight, miracle goodnight

Skin tell me
Turn it around
Head tell me
Make it alright

Nobody dancing
Miracle goodnight

Breath tell me
Turn it around
Heart tell me
Make it alright
Nobody dancing
It was only make believe

Don't want to know the past
I want to know the real deal
I really don't want to know that
The less we know, the better we feel

Morning star you're beautiful, yellow diamond high
Spinning around my little room, miracle

Skin tell me
Turn it around
Head tell me
Make it alright
Nobody dancing
Miracle goodnight

Breath tell me
Turn it around
Heart tell me
Make it alright
Nobody dancing
It was only make believe

Skin tell me
Turn it around
Moon tell me
Make it alright
Nobody dancing
It was only make believe

Eyes tell me
Judes tell me
Nobody dancing
Nobody dancing
Miracle

Skin tell me
Tonight
Head tell me
Make it alright
Nobody dancing
Nobody dancing

Breath tell me
Turn it around
Heart tell me
Make it alright
Nobody dancing
It was only make believe
