It's only forever

It's not long at all

The lost and lonely

No one can blame you

For walking away

Too much rejection

No love injection

Life can be easy

It's not always swell

Don't tell me truth hurts, little girl

'Cause it hurts like hell (echo hurts like hell)

But down in the underground

You'll find someone true

Down in the underground

A land serene

A crystal moon, ah ,ah

It's only forever

It's not long at all

The lost and lonely

That's underground

Underground
