Test, testing, testing  
This, hmm, Grace is my name  
And, and I was, hmm  
It was that phot, a fading photograph of  
A patch, a patchwork quilt

And they've put me on these  
Ramona put me on these interest drugs  
So I'm thinking very too, bit too fast like a brain hatch

And ah, they won't let me see anybody  
If I want to sometimes and I ask  
I can still hear some pop, popular musics  
And aftershocks

See I've been, I've been watching a television  
Of um, in the homelands  
That's the new homelands

And um, that's all I can remember  
And now they just want me to be quiet  
And I think something is going to be horrid
